

JERSEY GAMBLING COMMISSION

Amusement with Prizes Operator Licence

2026

Report on Fees

The Commission has a duty under Article 46 of the Gambling (Jersey) Law 2012 to determine and publish fees payable to it for:

- (a) the performance by the Commission of any of its functions under this Law;
- (b) the submission of an application, report or other document to the Commission under this Law; and
- (c) the annual continuance of a licence, permit, approval or registration granted under this Law.

The purpose of this notice is to prescribe fees associated with the provision of Amusement with Prizes at events in Jersey in accordance with the provisions of Article 22 of the Gambling (Jersey) Law 2012.

In deciding the level of fees, the Commission will assess an appropriate level of regulatory oversight and consider the following factors:

- the element of risk;
- the impact on the Island in case of company or product failure, and
- the level of gambling as a percentage of total business.

The Commission will also generally seek to discuss its proposed fees with those directly affected and, if there is a recognised trade body, will consult with that body. In the absence of a recognised trade body the Commission may simply publish its Notice of Proposed Fees, which are then adopted 29 days later.

Annual Review

NB: In order that fees do not erode with inflation there will be an **annual** review of fees. Undertaking such a review does not bind the Commission to alter these or any other fees.
